

Inluxe™ Finish & Colour Guide

Exclusive range of finishes & colours for use with our architectural and acoustic linings.

The Perfect Finish for Every Project

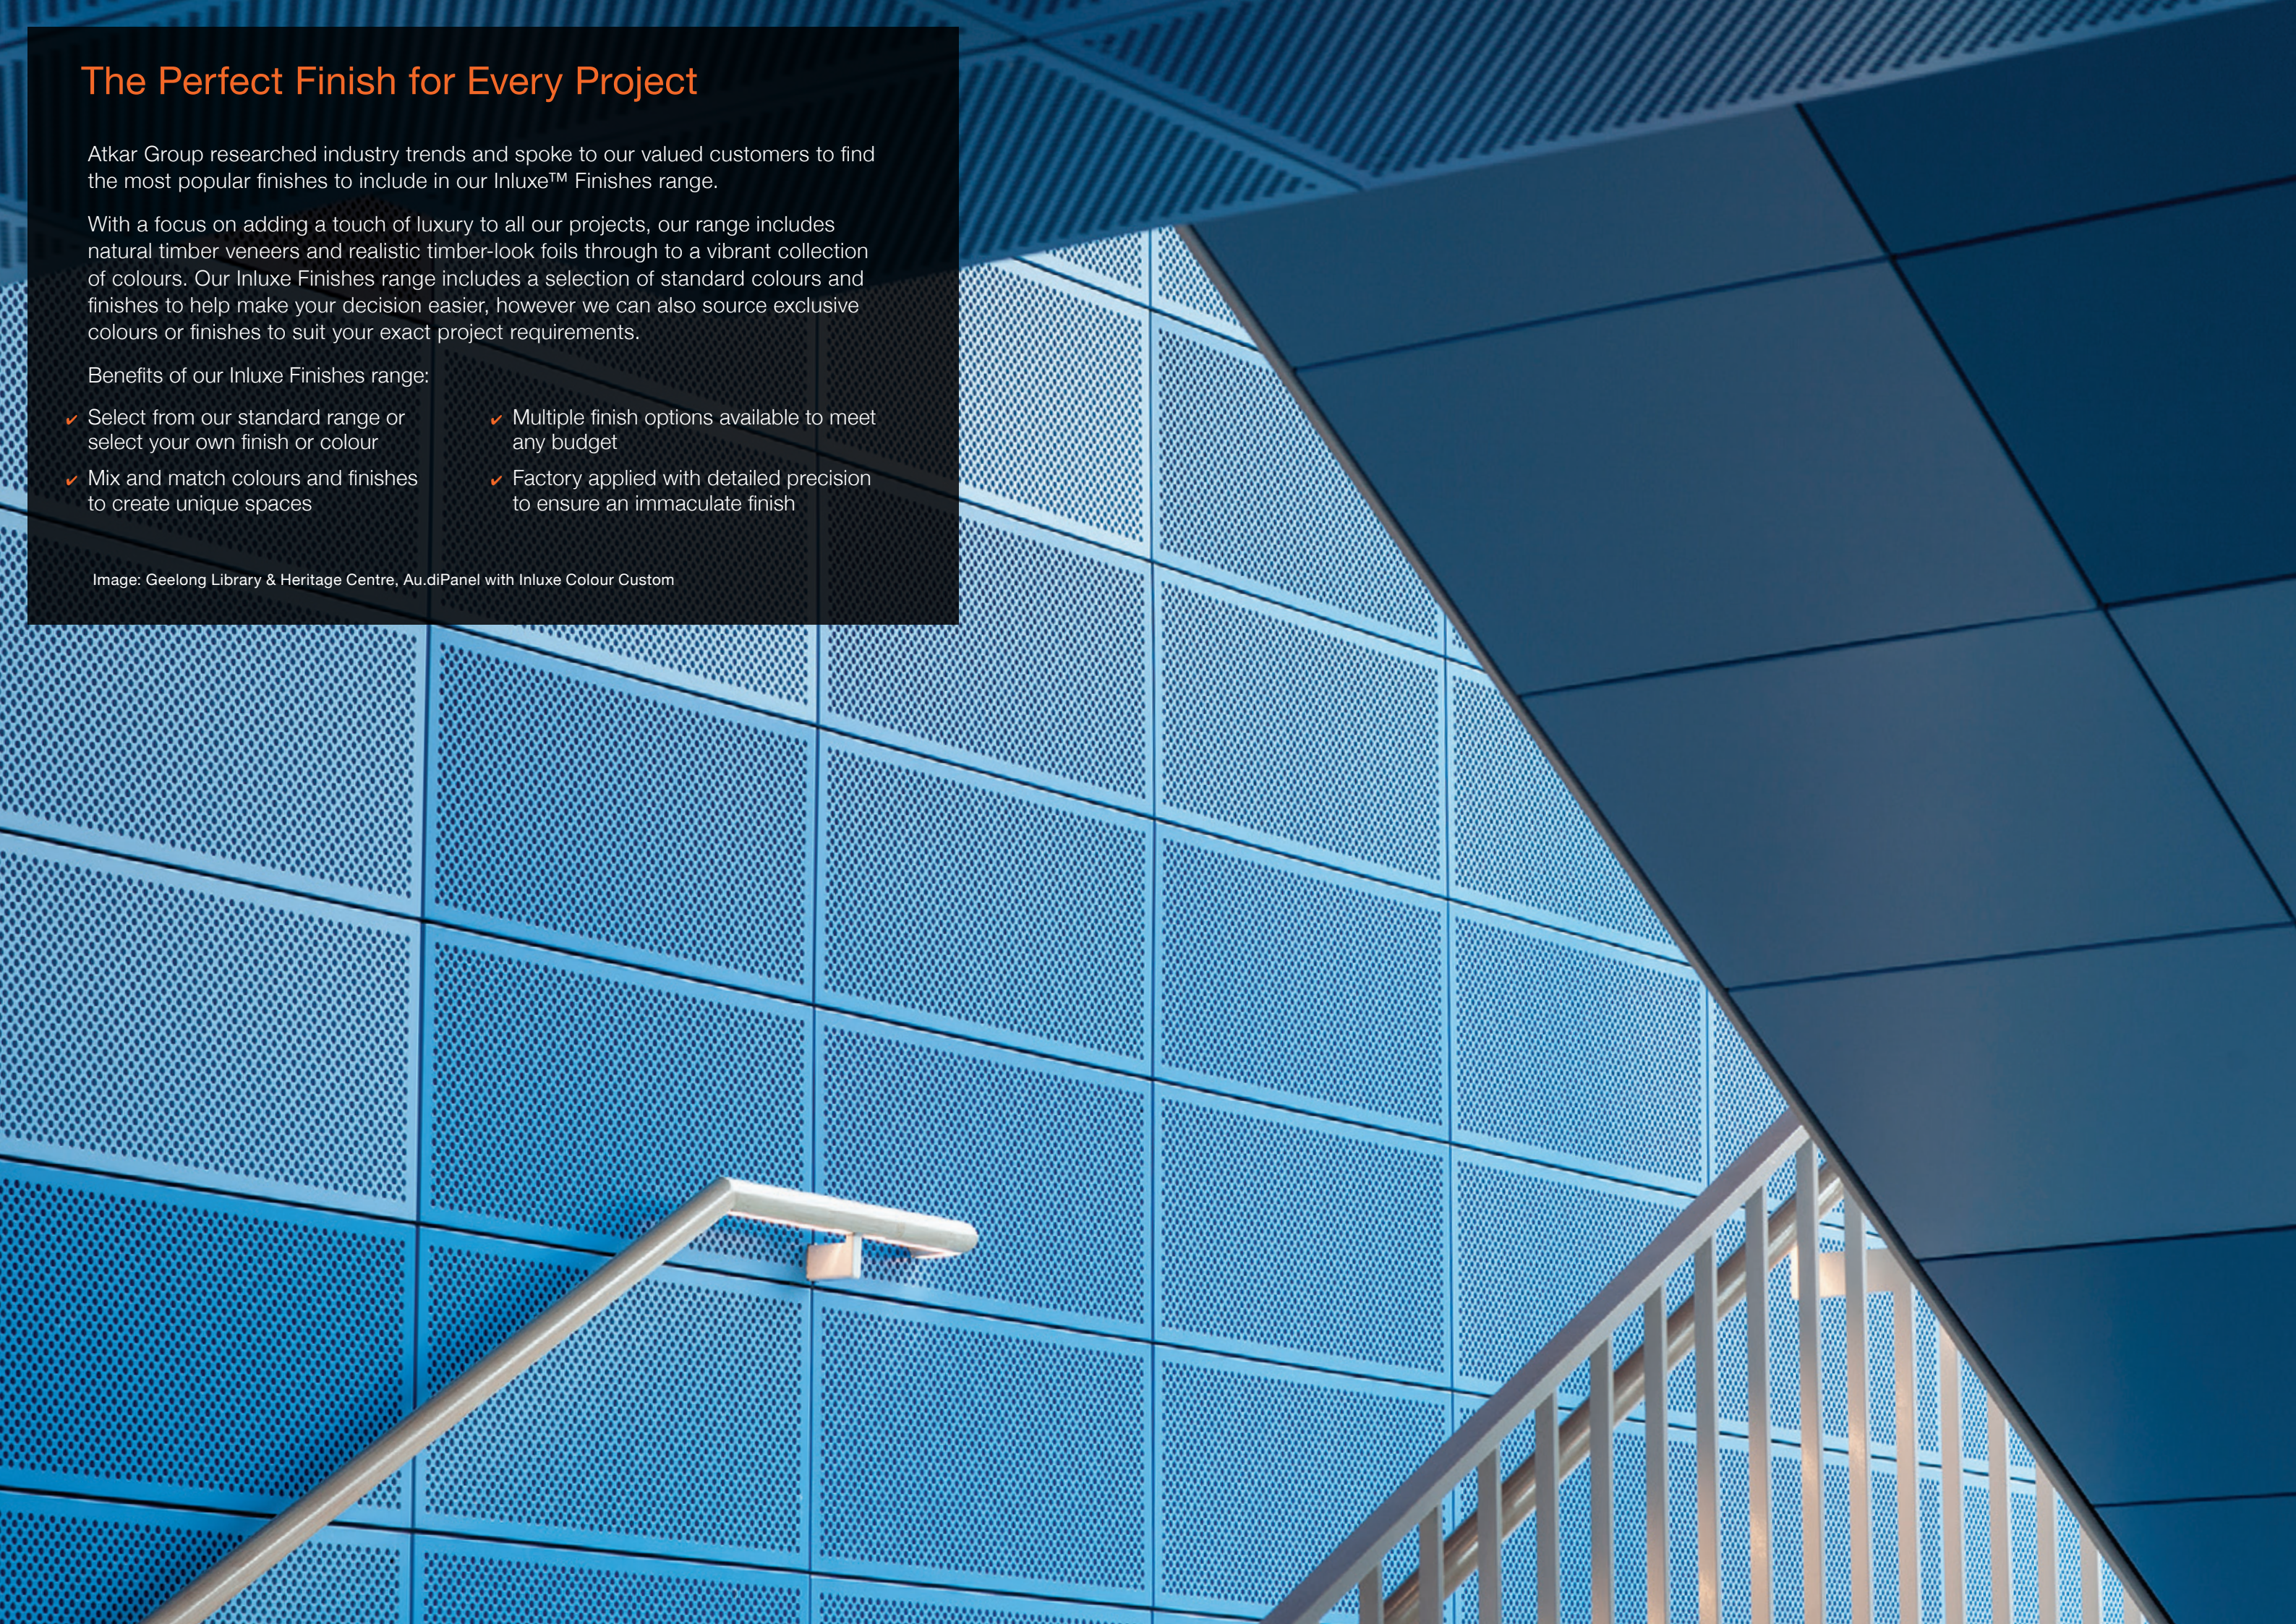

Atkar Group researched industry trends and spoke to our valued customers to find the most popular finishes to include in our Inluxe™ Finishes range.

With a focus on adding a touch of luxury to all our projects, our range includes natural timber veneers and realistic timber-look foils through to a vibrant collection of colours. Our Inluxe Finishes range includes a selection of standard colours and finishes to help make your decision easier, however we can also source exclusive colours or finishes to suit your exact project requirements.

Benefits of our Inluxe Finishes range:

- ✓ Select from our standard range or select your own finish or colour
- ✓ Mix and match colours and finishes to create unique spaces
- ✓ Multiple finish options available to meet any budget
- ✓ Factory applied with detailed precision to ensure an immaculate finish
